

To whom it may concern:

I have been greatly encouraged by Tom Meyer's ministry of sharing Scripture from memory. It is exciting to realize that this ancient art, once the shared experience of early Christians, can once again be shared by the modern Christian community through Tom's diligent commitment to uniquely preserve God's Word. In a generation in which digital devices have replaced the need to remember, his example and call to the church to return to hide God's Word in their hearts (Psalm 119:9) is more necessary than ever. I hope that his ministry will increase to God's glory and find the rich support it deserves!
