LETTER OF RECOMMENDATION

To Whom It May Concern,

This letter is to commend the ministry of my brother in Christ Tom Meyer. I have personally seen evidence that he has indeed been called of God and supernaturally equipped by the Holy Spirit to memorize and proclaim from memory the Word of God for the glory of God.

I joyfully recommend that any local church pastor reading this letter should invite brother Tom to come and minister in your church. I will be more than happy to extol the virtues of this powerful and unique ministry to anyone who wishes to contact me directly via telephone or Internet.

In the blessed name of Christ,

Ron Leedy
