August 21, 2007

Dear Tom,

Thank you for coming to our congregation to do a "Wordsower" presentation. It's edifying to hear the Word spoken from memory. It's also good because it challenges others to memorize Scripture.

Your presentation was well-done, and you handled the congregants' questions very well. We wish you the Lord's blessings as you continue to serve Him.

Your co-labourer in the Lord,

A handwritten signature in cursive script that reads "Daniel Botkin".

Daniel Botkin, Pastor
