

Fellow Shepherds,

February 22, 2006

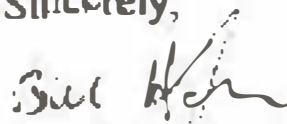

I have been asked by Mr. Tom Meyer to offer a letter of recommendation regarding his ministry, *The Scriptures Cannot Be Broken*. This is a task I am pleased to perform.

Tom's ministry is evangelism, tract distribution, and Scripture recitation from memory. He has served our church here in Weed as well as our new church planting effort in Redding. He has been a big help in Redding as a faithful attendee and an always willing participant in the services, frequently on short notice. He is able to quote Old Testament texts that support the sermon and service theme.

Our congregations and Sunday School classes are not only impressed by Tom's incredible dramatic presentations but they are also encouraged to hide God's Word in their own hearts. This is the highlight of Tom's ministry. His goal seems to be to spread his love for the Bible to others teaching them how to discipline their minds for memory success. His efforts have born fruit in our church from ten-year olds to sixty-year olds.

I enthusiastically endorse Tom's character and ability. If you want to see what Bible memorization can do for your people invite Tom Meyer for a presentation. Tom is capable, winsome, and in love with God and His word.

Sincerely,

Rev. William Hofer
