

Tom,

Shalom from the Lighthouse Gospel Tabernacle in the German Colony of Jerusalem.

I want to thank you for coming and presenting from memory the book of Revelation at our service.

You have a wonderful gift; not only in memory but in the way you presented the Word. I kept up with you in my Bible and it was an excellent job..... word for word with great expression.

The book of Revelation has over 12,000 words and it takes someone like yourself with this gift to be able to go through this book in less than an hour.

Although we haven't had the opportunity to know you well in the short time since we've met we find you to be of a good Christian spirit! Jerusalem, and the world needs more of this to make it through.

Once again thank you for coming last Saturday night February 21, 2009 to be with us. Please feel free at anytime to return. Comments from the people were "we enjoyed the presentation immensely."

May the God of Abraham, Isaac and Jacob bless you forever and forever.

Thank you so much,

James L. Riggins
