To whom it may concern;

It is with pleasure that I recommend Tom Meyer as a speaker. We invited him to come and speak in one of our chapels. He quoted Hebrews 11 and dramatized it. Tom has a great speaking voice and is quite animated in an appropriate sense. As he quoted from memory, he of course had full eye contact and as a result the children were very involved in his presentation of pure Bible scripture.

Tom was also eager to visit with the students in their classrooms. This enabled the children to ask him questions about Bible memorization. Considering we do a good amount of Scripture memory each year, this was a great way for the children to be inspired to take their memory work more seriously.

Here are a few of the comments that I received from my teachers.

That was such a great chapel today. I felt my students were so connected with Tom's message by being a part of his lesson. 3rd grade teacher.

Tom was awesome. Thanks for scheduling him to come. 1st grade teacher

Sincerely,

Mrs. Glynn Stone
