

# OLIVET BAPTIST CHURCH

Dear Tom, I am honored to share a testimonial concerning your visit to Kansas. May the Lord wonderfully bless you and your ministry.

To whom it may concern:

Tom Meyer of Wordsower was with us recently and recited the entire Book of Revelation from memory. Tom did so with just the right dramatic effect that kept our attention and helped us all visualize the message of Revelation. With almost an hour presentation, the time past by very quickly and everyone, both young and old were captivated. We at Olivet Baptist were blessed and challenged to study and memorize the Scriptures from Tom's presentation of the book of Revelation spoken from memory.
