

Dear Tom,

We thank the Lord for your attendance and participation in Scriptorium 2011! Your recitation of Genesis 1-11, Jonah, and Zechariah 12-14 were a great encouragement to the other memorizers, and your creative portrayal of Genesis 1-11 really got the whole group involved—including young people and children!

God has blessed you with good gifts, and we trust the Lord to continue using you to spread His word from memory around the world. We look forward to more fellowship and encouragement with you as we seek the Lord and His word together.

Grace and peace,

Jim Woychuk
