To Whom It May Concern:

Despite having just arrived back in the United States and having a very packed schedule, Tom Meyer visited my students at Victory Christian School. Tom had limited time, yet readily delivered God's Word to Christian high school students with enthusiasm and humility. It was a refreshment to hear pure Scripture recited from memory. Many of the passages were quite familiar to the students. Nevertheless, the students were captivated by hearing them heartily proclaimed in context with Tom's animated, yet sincere delivery.

Tom sensitively allowed time for students to ask questions. During this time Tom's passion and resolve to hide God's Word in his heart was expressed. The students came away grasping that God's Word is a precious treasure that is meant to be revered, meditated upon and obeyed.

The Word of God is indeed living and powerful, and I praise the Lord for Tom's ministry as it exalts God and His holy Word.

With joy in the Lord,
