To Whom It May Concern,

This past summer we were blessed to have Tom Meyer come and recite the entire book of Revelation to us. It was an awesome way to kick off our study on the book of Revelation.

Tom's ability to recite the entire book by memory was both amazing and motivating. It encouraged many of us to memorize more scripture and hide God's word in our hearts.

Tom was a blessing to all of us and I know he will be a blessing to your congregation as well.

Blessings,

Pastor Andy
