Dear Tom,

It has been my pleasure to minister in the cause of Christ with you in the Jerusalem's Men's Bible Study Fellowship pilot. Your willingness to serve as a discussion leader was an important part in the spiritual growth of the men. Without you this group would not have been started and the impact on the community would not have existed. I want to thank you especially for your dedication to the position and the depth of spiritual maturity you exhibited.

I hope that you will be blessed in all your future ministry, and look forward to keeping in contact with each other.

Sincerely,

Jack Harkless  
Teaching Leader
