## *DelMarVA Camp*

Dear Tom:

Thank you for the great time at the DelMarVA camp! The teens and younger kids really enjoyed the Word of God spoken from memory at camp. The feedback that we have gotten back from the campers was all positive. When you quoted the whole book of Revelation to the teens it sparked an interest and many questions about that portion of Scripture. I thought that it was great that the teens had questions and made them think.

I really enjoyed how you involved the younger kids in a dramatic presentation of the Word from your heart. I would have you come back anytime We really enjoyed getting to know you and your wife!
